For

## SPECIAL FLOOD HAZARD DEVELOPMENT

Hamilton County Planning & Development

Storm Water + Infrastructure Floodplain Management Division

138 E. Court Street, Room 801, Cincinnati, Ohio (513) 946-4760

**Building Permit No:** \_\_\_\_\_ **Date of Certification:** \_\_\_\_\_

**Flood Permit No:** \_\_\_\_\_ **Owner:** \_\_\_\_\_

**Permit Address (location):** \_\_\_\_\_

**Permit Description:** \_\_\_\_\_

Upon completion of construction or development authorized by the above-referenced flood permit no. and any mitigation required by the permit, a professional engineer or architect must sign this “**Certification of Compliance**” accompanied with an as-built plan/site plan with associated picture(s) verifying the completion of the development has met the requirements set forth in the approved plans and the Flood Damage Prevention Regulations of Hamilton County and return this form and plan(s) to the Storm Water/Floodplain Management Division.

The permitted development is subject to compliance inspection by the Hamilton County Department of Planning and Development Storm Water/Floodplain Management Division. If the property owner fails to comply with the limits of this permit, the permit will be subject to suspension, modification, or revocation.

I hereby certify that the work authorized by the above-referenced permit has been completed in accordance with the terms and conditions of the said permit and required mitigation was completed in accordance with the permit conditions.
