Attention: Engineers

Re: Engineering Services for  
Cleves Warsaw Road Bridge B-0050/PID No. 82662  
Project No.: 500607

Gentlemen:

The Hamilton County Engineer's office is requesting a letter of interest for Engineering Services in connection with the preparation of plans and specifications for the above referenced project. The attached Scope of Services(Attachment 'A') and Exhibit Two will serve to describe the required work. Attachment 'B' will be the selected consultant's fee proposal which will be determined at a later date.

Engineering firms interested in being considered for providing the required services should reply with a statement of interest and qualifications no later than 4:00 p.m., January 8 , 2009. This reply should include the following information:

- Past experience on similar type projects.
- Project Manager
- Amount of work to be performed in local office for this project.
- Amount and type of work to be performed by Sub-Consultant, including firm, if known.
- An updated list of projects currently under design by the local office, including design completion schedule and estimated construction costs.

If interested, you are requested to submit the required information to Mr. William W. Brayshaw, Hamilton County Engineer, 223 W. Galbraith Road, Cincinnati, OH 45215, Attention: Mr. Steve Mary.

Any questions regarding this matter should be directed to Mr. Mary at 946-8418.

Sincerely,

WILLIAM W. BRAYSHAW, P.E.-P.S.  
HAMILTON COUNTY ENGINEER
