TO: ALL HAMILTON COUNTY JURISDICTIONS

FROM: DISTRICT 2 INTEGRATING COMMITTEE

The District 2 Integrating Committee has approved a policy to allow jurisdictions to pre-apply for a condition score for OPWC road and bridge projects. Attached are the policy statement and the form to be used. Please pay particular attention to the time frames listed on the policy statement. Also, if a pre-application is submitted, the funding application must have the exact same components, including the project limits. Failure to apply for the exact same project will result in disqualification from the funding round.

If you have any questions, please call me at 513-946-8906.

Sincerely,
WILLIAM W. BRAYSHAW, P.E.-P.S, CHAIRMAN
DISTRICT 2 INTEGRATING COMMITTEE
