Floor Area, Gross. The sum of the horizontal areas of each floor of the building, measured from the exterior walls or from the center line of party walls, including the floor area of accessory buildings and structures.

Floor Area, Net. The sum of the horizontal areas of each floor of the building, measured from the exterior walls or from the center line of party walls, including the floor area of accessory buildings and structures. The term does not include any area used exclusively for the parking of motor vehicles or for building or equipment access, such as stairs, elevator shafts, and maintenance crawl space or areas occupied by mechanical equipment, toilet or rest rooms.
