*****NEWS RELEASE*****

LEBANON ROAD
TO RECEIVE
BLACKMAT FRICTION COURSE
In S-CURVE
between Fields Ertel Road and Union Cemetery Road

SYMMES TOWNSHIP

William W. Brayshaw, the Hamilton County Engineer, would like to announce that Lebanon Road in the S-Curve near the Loveland Greenhouse will be receiving a pavement material that will improve the friction during wet weather conditions. Work is scheduled to begin Monday October 26th. The material is called Black-Mat and is being installed by Terry Asphalt Materials, Inc.

County forces will be doing pavement preparation work on Monday the 26th of October. Terry Industries anticipates applying the BlackMat Friction Course following the pavement repairs. All work is anticipated to be completed by the end of next week, weather permitting.
