

Map 25

**Population By Race
One Race Only
Black or African American**

HAMILTON COUNTY, OHIO

This map identifies the percent of the total population who chose only one race and chose 'Black or African American' as their race. Unlike previous Census years, in Census 2000, people had the option of choosing more than one race. The County average is 23.4%. Please see Appendix C for the total number of persons in each block group.
