

Map 279

**Poverty Rate
Female Household No Husband
Present With Children**

HAMILTON COUNTY, OHIO

This map identifies the percent of the female headed (no husband present with children) households that are at or below the poverty level. The county average is 30.9%. Maps 270 - 281 utilize the same legend for comparison. Please see Appendix BS for the total number of female headed households with no husband present with children in each block group.
