

Map 69

**Household Data
Male Headed Household
No Female Wife - With Children**

HAMILTON COUNTY, OHIO

This map identifies the percent of the total households where a male is the head of the household and no wife is present in the house and related children under the age of 18 live in the house. The County average is 1.9%. Maps 68 - 69 utilize the same legend for comparison purposes. Please see Appendix D for the total number of households in each block group.
