

Map 70

Household Data - Female Headed Household No Husband Present With Children - White

HAMILTON COUNTY, OHIO

This map identifies the percent of White households where a female is the head of the household and no husband is present in the house and related children under the age of 18 live in the house. The County average is 4.9%. Maps 70 - 73 utilize the same legend for comparison purposes. Please see Appendix G for the total number of White households in each block group.
